Cleaning

Eurol Hand Cleaner Orangestar

Handcleaner with effective working abrasive

Description

Eurol Hand Cleaner Orangestar is a solvent-free high quality hand cleaner. Due to the pH neutral character of the product it will prevent skin irritation.

Eurol Hand Cleaner Orangestar is made from natural citrus oils and contains an environment friendly abrasive (based on polymers).

Eurol Hand Cleaner Orangestar is dermatologically neutral and biodegradable.

Eurol Hand Cleaner Orangestar is suitable for the removal of mild to heavy contamination on hands, and should be applied dry on the hands. By rubbing the hands the dirt is loosened and can be removed by a dry cloth or flushing water.
